

OUTSTANDING "IDEAS" TO BE HONORED

The twelve Outstanding "I Have An Idea" winners of 1977 will be honored by **Bob Matheison**, Vice-President of Operations and Vice-Chairman of the Disney World Operating Committee, and each winner's Division Director at the 1977 "I Have An Idea" Awards Banquet on **Sunday, February 26**, at the Empress Lilly. Out of 2,072 eligible ideas submitted in 1977, 115 were accepted and are in the process of being implemented. Twelve ideas were selected as Outstanding Ideas, because of their exceptional contribution to Walt Disney operations.

For their creative thinking, all twelve Outstanding Idea contributors have already received a special plaque, the parking place of their choice anywhere on the property for one month, \$100 worth of merchandise at Walt Disney World Village in Lake Buena Vista, and an invitation to the 1977 "I Have An Idea" Awards Banquet! At the "Ideas Banquet", one of the twelve Outstanding Ideas will be selected Outstanding Idea of the Year. The winner of this award will receive a beautiful plaque and an all expense paid vacation for two!

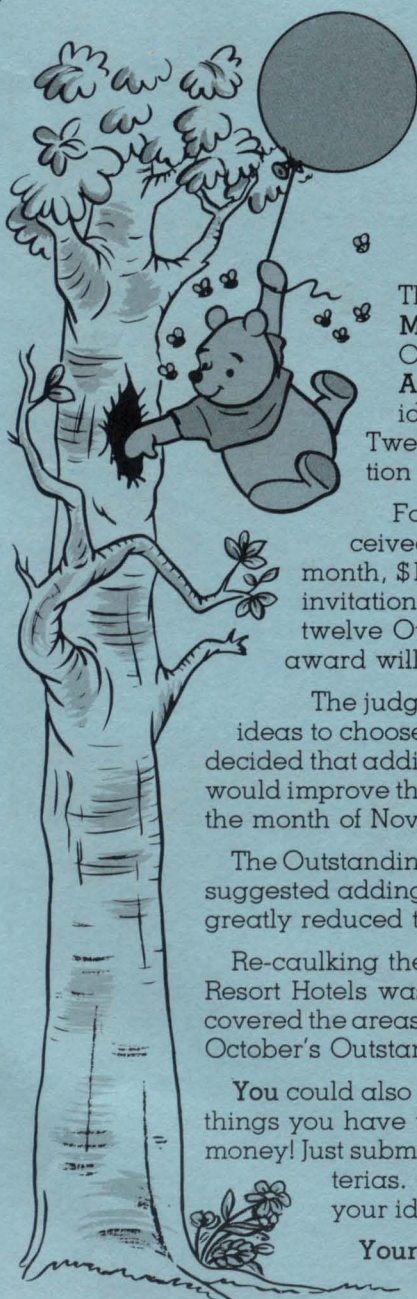

The judges will have quite a challenge selecting the Outstanding Idea of the Year. Among the ideas to choose from is **Tom Fitzgerald's**. A Casual Temporary employee on Space Mountain, Tom decided that adding a sound illusion to the strobe tunnel in Space Mountain to give the illusion of speed would improve the guests' enjoyment of the show. Tom's idea was selected for the Outstanding Idea for the month of November and is in the process of being implemented.

The Outstanding Idea for the month of May was submitted by **Louann Starr** of Transportation. Louann suggested adding an oil pea stone coating to the pavement in the area of the Toll Plaza. This idea has greatly reduced the number of accidents at our guest entrance.

Re-caulking the area between the wall panels and the bottom of the shower and bath tubs in our Resort Hotels was time-consuming and costly. **Bill Wilson** of Hotel Maintenance realized that if we covered the areas with a vinyl strip the Company would save time and money! Bill's suggestion became October's Outstanding Idea.

You could also become an Outstanding Idea winner! Wherever you work, there are probably many things you have thought of to improve our attractions, prevent possible accidents, or save time and money! Just submit your idea on the "I Have An Idea" forms located in many of the Break Areas or Cafeterias. Or just jot your idea on a piece of paper, including a note as to what improvements your idea will make, and send it via inter-office mail to: "I Have An Idea", Center Building.

Your ideas do make a difference!

LOOKING AHEAD . . .

Many areas of Walt Disney World are already planning an exciting Easter holiday for our guests. The Entertainment Division has scheduled a special Easter Parade on Sunday, March 26, not to mention a two week performance of the Main Street Electrical Parade to highlight the holiday period. Cast members in the various offices throughout the property are already being scheduled to assist in Cross-Utilization **March 18 - April 1**. We **all** will be working very hard in a few short weeks! But, no one is busier than our Casting Department is right now!

Gearing up for Easter has created some unusual challenges for them this year, as the Easter season does not coincide with the vacation schedule of local high schools and colleges. The Casting Department staff is planning recruiting trips to Universities throughout the entire state to interview college students for Casual Temporary positions. With over 1300 positions to fill, this is quite a task!

The Employment Center is remaining open **Monday through Saturday, 9:00 am - 6:00 pm** beginning Monday, February 20 to accommodate applicants during the next few weeks. So, if you have any friends or family members who are looking for a part-time job . . . Casual Temporary or even Permanent . . . refer them to our Casting Department.

Yes, Easter will be a very busy time. But it is gratifying to look back at what we accomplished together during Christmas . . . a **record attendance of 82,938** total guests was set on December 28, 1977; that same day, "in park" attendance reached **65,652**, another record . . . the Food Division produced **43 tons of French Fries** during the week after Christmas . . . at the Vista Florida Toll Center, our efficient operators handled **11,161 calls** on December 25th alone . . . the Tomorrowland Terrace served over **30,000 meals** in one day on December 27! Thanks to the full cooperation of all our cast members . . . onstage and backstage . . . we gave our guests their best Christmas ever.

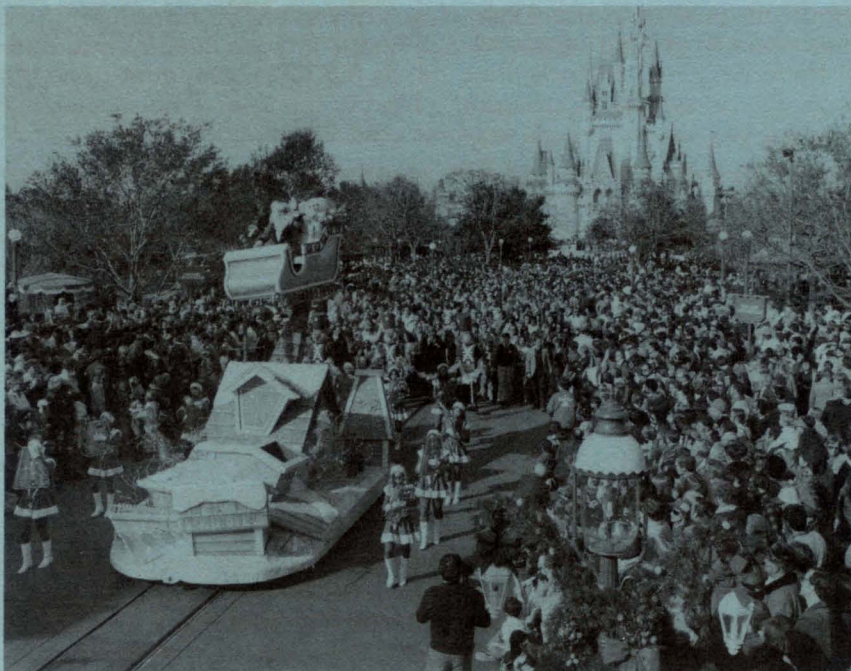

And, it's going to take the best efforts of each and every cast member to make this Easter the most enjoyable one our guests have ever experienced!

Mary Jo Corbett of Photography assisted in Cross-Utilization at Peter Pan's Flight.

Susan Reaves of the Magic Kingdom Club and Jud Perkins of Services lented helping hands at Columbia Harbor House during Christmas Cross-Utilization.

On December 28, 1977, a record attendance was set for Walt Disney World when 82,938 guests visited the Magic Kingdom.

Vista Florida Toll Center handled 11,161 phone calls on December 25th, traditionally their busiest day.

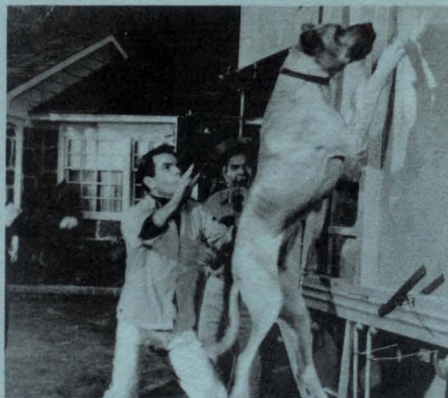

CREDIT UNION CLOSED FOR HOLIDAYS

In observance of Washington's Birthday the Vista Federal Credit Union will be closed **Monday, February 20**. The Credit Union will also close **Wednesday, February 22** to assist in Cross Utilization in the Theme Park in anticipation of increased attendance throughout the entire "I Am An American Week", February 19-25.

I AM AN AMERICAN WEEK

Anticipating increased attendance throughout the entire "I Am An American Week", February 19-25, the Magic Kingdom will remain open from 9 am-10 pm each evening.

THE STUDIO SCENE

Fran (Suzanne Pleshette), Mark (Dean Jones), and the garbage man try to stop Brutus, the Great Dane who thinks he's a Dachshund, from jumping into the garbage truck in this scene from "The Ugly Dachshund," which airs in two parts on "The Wonderful World of Disney", Sunday evenings, February 19 and 24 on NBC-TV.

MOTORCYCLE HELMET RACKS INSTALLED

A special service was recently established to assist those of you who do your share of economizing (despite chilly weather) by driving your motorcycles to work. The North Service Area Bus Stop now has a Motorcycle Helmet Rack where helmets can be safely stored while you work!

RIVER COUNTRY REOPENING

After undergoing several weeks of refurbishing, our popular River Country Attraction will reopen to the public **Saturday, February 18**, in time for "I Am An American Week".

Sparkling white sand beaches, sleek slippery slides, and fast-moving raft rides greet all visitors to the attraction. New additions to River Country include "T-Bar" swings and exotic animals along the Nature Walks.

River Country operating hours are **10 am-5 pm daily** through March 17. Extended hours for the Easter holidays will be announced later. Admission prices are as follows:

Day Guests: Adults \$4.75/Children \$3.75
Lake Buena Vista Guests: Adults \$4.25/Children \$3.25
MKC and Resort Guests: Adults \$4.00/Children \$3.00
Employee Discount: Adults \$3.50/Children \$2.50

To utilize the Motorcycle Helmet Rack, you as an employee must first **permanently** affix your name on the helmet . . . no stick-on labels please! When you arrive at the bus stop you need to sign your name, department number, arrival time, and "peg" your helmet is on in the appropriate place in the Motorcycle Helmet Log located at the Security Shack. Place your helmet on its peg and catch the bus to work!

At the end of the day when you return to the bus stop just show the Security Host on duty your **valid ID** and tell him what peg your helmet is on. He'll return the helmet to you and sign it out on the log.

Don't forget to include all the necessary information on the Motorcycle Helmet log when you sign in to avoid any unnecessary delays at the end of your day!

FALL FASHION SALE CONTINUES

The **Contemporary Woman** and the **Polynesian Princess** are continuing a sale on all remaining fall and holiday fashions while the merchandise lasts! Prices have been slashed to **50% off!** In addition to the sale price, employees still receive their **20% discount!**

Both these shops will accept cash, Master Charge, and Disney Credit Cards on all purchases. The sale will end when the merchandise has all been sold, so hurry and take advantage of these drastic reductions!

MARKETING FORUM SCHEDULED

Employees interested in learning more about our Marketing Division are invited to attend a presentation on **Thursday, March 2 at 5:00 pm**. This is the first in a series of forums designed to give employees insight into various divisions which they may have an interest in. Topics of discussion for the Marketing Forum will include:

- An Overview of Marketing
- How the Division is Organized
- Career Opportunities and Requirements
- Opportunities for Questions and Answers

To reserve a seat, contact the Career Planning and Placement Office at extension 5242 by **Monday, February 27** as space is limited.

"It Takes People"

There's probably no other employee who has this record: **Willie Pugh** of Security has **never** missed a day of work or been late even once since he joined our cast in April of 1971! Coming to Florida in 1955 by way of Alabama, Willie only left the Sunshine State once for a taste of the Big City life in New York. It wasn't quite what he expected, so within a year he came back and settled permanently in Haines City. Although his main love in life is his three teenage children, Willie also enjoys playing a few tunes on bass guitar or guitar . . . normally with his oldest son accompanying him! Since the kids are almost out of school and on their own . . . the oldest leaving for the Navy this year . . . Willie says he's thinking of getting a camper to spend some time traveling and just plain enjoying life! That's after retiring, of course . . . Willie doesn't plan on leaving Disney any earlier than he has to. We would all miss his smiling face if he did!

Physical fitness is a way of life for **Brenda Wilson**, Facilities Training Secretary. Each day on her lunch hour, Brenda can be seen jogging a four mile course around the Golf Resort Hotel or playing a hard game of tennis! After work it's over to the Nautilus Fitness Center if she's not at class at Valencia Community College! Originally from Ohio, Brenda moved to Florida at the age of nine and has been here ever since! Joining the Disney Cast in 1971, Brenda was originally a Service Hostess at Liberty Tree Tavern before she transferred into a clerical position in the Food Division. Moving to Facilities Training in 1974 was Brenda's impetus to begin her daily work-outs. Eventually she would like to get her degree in Business Management and work up from there!

A passion for flowers of all kinds has kept **Dottie Livingston** content to stay at the Emporium Flower Shop, where she has worked since opening day! A native of South Carolina, Dottie and her family migrated further south to finally settle in a peaceful little village called Orlando . . . before Walt Disney World was even thought of! Before joining the cast, Dottie was an expert brownie and cookie maker, supplying her children's various group activities with all sorts of goodies! Now that they are grown, she likes to spend her free time with the grandchildren, sewing, or . . . you guessed it . . . gardening! Dottie says she wants to continue working at Disney as long as she's able . . . "When I leave here, I just won't want to work anymore!"

SCAVENGERS TAKE WOMEN'S CHAMPIONSHIP

In a real nail-biter of a basketball game, the **Theme Park Scavengers** won this year's Women's Basketball Tournament as they went in a heads-up game against the gritty **LBV Village** team. Throughout the entire game, the lead constantly changed from team to team in one of the closest fought games in several years.

But the final score wasn't decided until the last 30-seconds of play, when Scavenger **Cathy Chandler** converted both ends of a one-and-one foul shot, to break a 27-27 tie. The tough Scavenger gals then forced the turn-over of the ball from the Villagers in the final hectic seconds and held on to it until the buzzer . . . making the final score a 29-27 victory for them!

Scoring summaries for both teams include:

Theme Park Scavengers 11-7-29

Jo Ann West 4-1-9

Cathy Chandler 2-4-8

Jana Springer 4-0-8

Marilyn Terrico 1-1-3

Cathy Skora 0-1-1

LBV Village 10-7-27

Jean Brock 4-6-14

Angie Reed 3-1-7

Lori Yurigan 2-0-4

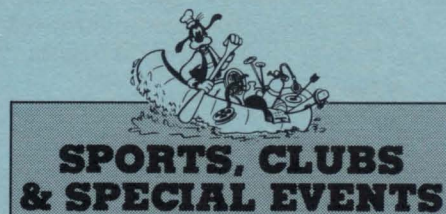

Diane McNish 1-0-2

The Winners: Theme Park Scavengers

Runners-up: LBV Village

"PIXIE DUST" HERE NEXT WEEK

The early Walt Disney World days hit play *Just A Little Bit of Pixie Dust* will

be presented in Cast Activities next week. Starring over 50 cast members in a satirical review of our opening days in 1971, the play was video taped when it was presented a long, long time ago and will be shown just for you!

Pixie Dust will be shown in the **Cast Activities Lounge**, 2nd floor of The Center, Monday through Friday evenings, **February 20-24**, at 7 pm. Since it was **video taped** and has to be shown on a television monitor instead of a movie screen, admission will be **limited** to insure a good view. If you would like to watch it, please call Cast Activities at extension 4254 for a seating reservation. There is no admission and all cast members are invited to drop by for a little nostalgia.
